

KRPG Map List

Description of columns

- **Nr:** map number, to be used in conjunction with “map”
- **Name:** The name of the map as visible in the game
- **Entered from:** maps that lead to this map
- **Exits to:** maps to which this map has an exit to
- **Type:** combat (dungeon) or noncombat (town) map
- **Travel map:** whether the map is directly connected to the travel map
- **Author:** original creator of the map (for third party vanilla Hexen maps from the 1990s, the full original info file is included in the game subdirectory “additional_credits”)
- **Editor:** additional mapper(s) who made significant changes to a map
